ASSIGNMENT

Michael SEUL, a citizen of Germany; residing at 84 Pleasant Avenue, Fanwood, NJ 07023; hereinbelow called "Assignor", represent and warrant that I am the owner of the entire right, title and interest in and to the following patent application(s) and/or Letters Patent:

PCT International Patent Application No. PCT/US97/08159

Filed: April 24, 1997

For: LIGHT CONTROLLED ELECTROKINETIC ASSEMBLY OF PARTICLES NEAR SURFACES

and in and to the inventions described therein, all of said applications, Letters Patent and inventions, and any applications for Letters Patent which may be or may have been filed anywhere in the world on and any Letters Patent which may eventuate from any of them or from any divisions, continuations, continuations-in-part, improvements, reissues, substitutes, additions and extensions which may have been or may be made, filled or granted on any of them, being collectively hereinbelow called the "Subject Patent Rights"; and

WHEREAS, BIOARRAY SOLUTIONS, LLC, a limited liability company organized and existing under and by virtue of the laws of the State of New Jersey, having offices and doing business at 120 Centennial Avenue, Piscataway, NJ 07023 and elsewhere, hereinbelow called the "Assignee", is desirous of acquiring the entire right, title and interest in and to the said Subject Patent Rights;

NOW, THEREFORE, BE IT KNOWN that for and in consideration of the sum of One dollar (\$1.00) paid by the said Assignee, and other good and valuable consideration, the receipt of all of which is hereby acknowledged, the said Assignor has sold, assigned, transferred and set over, and by this document does hereby sell, assign, transfer and set over, to the said Assignee, its successors and assigns, the entire right, title and interest throughout the world in and to the said Subject Patent Rights and in an to all right to recover for past infringement thereof;

TO HAVE AND TO HOLD the same to the full end of the term or terms of any of said patents, as fully and completely as the same might have been held by the said Assignor had this sale and assignment not been made;

AND the Commissioner of Patents and Trademarks is requested to issue all of said patents, when granted, in accordance with this sale and assignment.

For the consideration stated above, I hereby agree (a) to communicate to said Assignee, its successors, assigns, nominees or other legal representatives, all facts known to me respecting said Subject Patent Rights, whenever requested, and to deliver to the said Assignee on request all documents and materials in my possession, custody or control and evidencing the conception, construction, testing and reduction to practice (and all steps leading up to such

reduction to practice) of each invention included in the Subject Patent Rights; (b) that whenever as representative of said Assignee, its successors or assigns, shall advise that an application for patent on any of such inventions or an amendment to or a division of or any other proceeding or actions in connection with any of said applications, including opposition or interference proceedings, is lawful and desirable, or that a continuation or continuation-in-part or reissue or extension of any of said applications or Letters Patent is lawful and desirable, I shall sign or cause a proper party to sign all lawful papers and drawings, make all rightful oaths and affidavits, and do all lawful acts necessary or desirable to be done for the filing, prosecution and procurement of valid Letters Patent for any such inventions, and for the filing, prosecution or procurement of any reissues or divisions or continuations or continuations-in-part or additions or extensions or disclaimers to or of the same, (c) to do all lawful acts necessary or desirable to evidence and to secure to the said Assignee, its successors and assigns, the title to and full benefit of all rights hereby assigned, and (d) to testify in any legal proceedings and do everything lawfully possible to aid said Assignee, its successors, assigns and legal representatives, to obtain and enforce proper patent protection for each invention in said subject Patent Rights, all without charge to said Assignee or its successors or assigns, but at its or their expense.

For the consideration stated above, the said Assignor has sold, assigned, transferred and set over and by this document does sell assign, transfer and set over to the said Assignee, its successors and assigns or the nominees of any of them, the entire right, title and interest in and to any and all Letters Patent applications for Letters Patent which have been or may be filed or granted in any countries for any invention included in the Subject Patent Rights aforesaid, and said Assignor does hereby authorize and empower said Assignee and its successors, assigns or nominees to apply for and to prosecute and procure Letters Patent or other form of protection on any of said inventions in its own name or in the name of its successors, assigns or nominees, as may be appropriate, in any or all countries where Assignee may desire to file such applications; and said Assignor hereby covenants and agrees to sign or to cause an empowered party to sign all lawful papers and drawings, make all rightful oaths, execute all rightful affidavits, and do all lawful acts necessary or desirable to be done for the procurement and maintenance of Letters Patent or other form of protection for any of said inventions in all countries, and for further investing or confirming the right and title thereto in the Assignee, its successors, assigns or nominees, all without charge to said Assignee, its successors, assigns or nominees, but at its or their expense.
